## Naming Rights Sponsorship Package

### *Transforming Lives Through Trauma-Informed Care*

Since 1993, Mosaic Family Services has been a safe haven for survivors of human rights abuses, including refugees, victims of domestic violence, and survivors of human trafficking. Our mission is to transform, empower, and rebuild lives through culturally competent, trauma-informed care.

At Mosaic, every element of our new office layout has been thoughtfully designed with trauma-informed care principles to ensure that survivors feel safe, respected, and empowered from the moment they walk through our doors.

# What We Offer

- **A Calming Atmosphere** – Soft, natural lighting, warm colors, and soothing artwork create an environment of peace and reassurance.
- **Privacy & Dignity** – The layout ensures confidentiality, allowing survivors to enter a space where their safety and comfort come first.
- **A Sense of Control** – Comfortable seating areas provide choices for where to sit, helping survivors regain autonomy in their journey toward healing.
- **Inclusive & Welcoming** – Multilingual signage and culturally diverse decor reflect the backgrounds of the individuals we serve, making all feel seen and valued.
- **A Gateway to Services** – As the heart of our office, The Welcome Haven serves as the first step for survivors to access legal support, counseling, case management, and emergency assistance—all under one roof.

By sponsoring a space in our new office, your generosity directly supports life-changing services that provide safety, healing, and justice for the most vulnerable in our community.
